APR is a Differentiator

What do 23 PR practitioners in Southeastern Wisconsin have in common that other practitioners don't? They're among the roughly 5,000 PR professionals worldwide who have earned the designation "APR." The letters stand for Accredited in Public Relations, but they also signal professional acumen, significant skills, knowledge and a commitment to ethics.

If you are interested in earning accreditation or learning more about the process, contact chapter officers Ann Knabe, Ph.D., APR+M at Ann.Knabe@bvk.com or Michael Pflughoeft, APR, Fellow at michael.pflughoeft@bvk.com.

number of qualified internship candidates vastly outnumbers the number of internship postings and we would like to change that with your help.

Posting an opportunity on the Internship Center is one of the easiest ways to give back to the future of the public relations industry, especially considering there is no cost for organizations/individuals to post. In addition, PRSSA offers some of the most qualified internship candidates. All you have to do to have your internship featured is send the internship details to prssainternships@prsa.org.
