UPCOMING EVENTS:

January 24: The AI in PR Outlook in 2024

Artificial Intelligence remains a hot media topic. But what does our future with AI look like and how will it change the way we as PR professionals work? Join Troy Alfke, Hoffman York Strategy Director, as he walks through the history, current and future state of AI. He'll share what marketers need to know about AI and his predictions on how it will change the marketing landscape.

Troy Alfke: With 18 years in the industry, Troy brings extensive experience helping brands of all shapes and sizes find their identity, launch new products, and develop

APR is a Differentiator

What do 23 PR practitioners in Southeastern Wisconsin have in common that other practitioners don't? They're among the roughly 5,000 PR professionals worldwide who have earned the designation "APR." The letters stand for Accredited in Public Relations, but they also signal professional acumen, significant skills, knowledge and a commitment to ethics.

If you are interested in earning accreditation or learning more about the process, contact chapter officers Ann Knabe, Ph.D., APR+M at Ann.Knabe@bvk.com or Michael Pflughoeft, APR, Fellow at michael.pflughoeft@bvk.com.

customers. With AI at the forefront, Troy immersed himself in this exciting world and has become a

knowledgeable thought leader on the topic, advising clients and agency teams on how it can improve processes and help deliver better results.

Event will take place at Hoffman York, 200 N. Water Street, Milwaukee, WI, from 4:30 p.m. networking and 5 p.m. program will start.
